2009

Auditorium

The Cathedral of the Holy Trinity is the premier place of worship of the Greek-Orthodox Community in New York City. The master plan for the entire complex, the Cathedral School and the Cathedral Center has been undertaken to facilitate the restoration and reorganization of this historic building and its adjacent facility. It explores the feasibility of a new school and a Cultural Center as a world-class meeting, cultural and education center.

Assembly Hall

Seating Area - Multipurpose Room
